PAY TRIBUTE

Classic Silks USA has been serving the horseman since 1970, with the finest in racing colors, tack, apparel and gifts. Our new website is an exciting adventure for us - truly world wide! It is with that in mind that we have designed a page to assist in raising awareness and monies for charitable organizations while enhancing the image and reach of the thoroughbred industry.

Our PayTribute page features links to equine charities and to other charities that are close to equine people. Our visitors can click on a charity, go directly to that site to donate money or learn more. The other option for visitors is to purchase a race themed item from Classic Silks USA. We will process the order and forward the proceeds to the designated non profit.

Classic Silks USA, via our PayTribute page will highlight nonprofit organizations, assist in raising awareness and monies for participating nonprofits, enable our visitors to contribute to these worthwhile causes, while at the same time further enhance the image and reach of the thoroughbred community.

If you are an equine non profit and would like to participate, or if you are involved in racing and have a charity close to you (equine or other) and would like that charity represented, please contact us.

Sincerely,

Classic Silks USA
